

# INDEX

Here is the Index to *Analog's* fifty-seventh year: 1986, Volume 106. Entries are arranged alphabetically by author, with month and page. (There were two issues in December, abbreviated Dec and MidD.) Multiple entries by the same author are listed in chronological order. When the author's name and/or part of the entry's title is omitted, it is the same as that of the previous entry. Collaborations are listed under all authors, with cross-references. Unless otherwise noted, each entry is identified as a novelette (n), short story (ss), or fact article (a).
